FOR IMMEDIATE RELEASE:

Arjun Vajpai triumphs yet another World Record!

New Delhi, India – October 12, 2011 – Arjun Vajpai, an alumnus of Ryan International School, Noida, created yet another world record by becoming the **youngest person in the world to Summit Mt. Manaslu** (8,163 meters). Mt. Manaslu is the 4th most challenging peak in the world and on 4th of October 2011 at 10.00 a.m. (Nepal Time), Arjun proudly hoisted the Indian Tricolour at this peak and thereafter returned to Camp 3. He accomplished this difficult feat in a record time. After this success, he has become the youngest mountaineer in the world to have climbed 3 mountain peaks above 8000 meters.

Arjun, who had climbed Mt. Lhotse last year, described this expedition as challenging since the weather was very unfavourable and was detained at the base camp for 10-15 days. The movement above Camp-3 was a very difficult climb.

Arjun received a hero's welcome at T3 airport on 12th October 2011 at 12 noon. A large gathering of Ryan Students along with their Principal Mrs. Anuradha Sharma greeted him with flowers, cheers and slogans. A beaming Arjun acknowledged their greetings and expressed gratitude to his school mates for being so supportive.

The Chairman of Ryan International Group of Institutions Dr. A.F. Pinto and Managing Director of Ryan Group, Madam Grace Pinto congratulated Arjun on this outstanding feat.
